

**INVENTORY OF  
MONTANA STATE-OWNED HERITAGE PROPERTIES**

From the Files of the  
Montana State Historic Preservation Office  
Montana Historical Society

(Updated June 2018)

**“Heritage property means any district, site, building, structure, or object located upon or beneath the earth or under water that is significant in American history, architecture, archaeology, or culture.” (MCA 22-3-421(4)). Eligibility established in consultation with the State Historic Preservation Office, and as necessary, the State Historic Preservation Review Board. Criteria for eligibility established in ARM 10.121.905 and associated National Park Service guidance.**

**Notes:**

**Information may be incomplete. State agencies should verify ownership and responsibility. Some properties may not or no longer be state-owned. Additional documented state-owned heritage properties may exist. Please inform SHPO of discrepancies.**

**Does not include properties previously evaluated as ineligible or presently undocumented and unevaluated historic sites and buildings (> 50 years old) or archaeological sites not on file with SHPO that may be potential heritage properties. State agencies should review all buildings and sites > 50 years old and confirm identification and evaluation status.**

**For purposes of reporting under SB3 (2011), state agencies are required to report on known, documented state-owned heritage properties.**

**For purposes of consultation regarding potential impacts to heritage properties under the Montana State Antiquities Act (MCA 22-3-424), state agencies are responsible to identify, evaluate, and consider all potential as well as known state heritage properties.**

**SHPO files available for agency review at State Historic Preservation Office. Make pre-arrangements to review files.**

**Key:**

**ID/property # (eg 24CR0667) = Smithsonian Trinomial (state (24) county (CR = Custer) number (####))  
Properties arranged by agency and Smithsonian Trinomial, i.e. by county**

**NHL = National Historic Landmark (de facto NR Listed)**

**NR Listed = listed in the National Register of Historic Places**

**Eligible (DOE) = determination of eligibility by NPS Keeper of the National Register of Historic Places**

**Eligible (CD) = consensus determination in consultation between agency and SHPO**

**Eligible (CD-rb) = determination by state preservation review board**

# = second number for a single property with two property numbers (Smithsonian Trinomials) in two adjoining counties.

Properties highlighted in red have been programmed for replacement by the MDT. Adverse impact of loss has been mitigated by HAER recording and documentation under the terms of the MDT Historic Roads and Bridges Programmatic Agreement.

Historic bridges marked by a \* are part of the MDT Historic Roads and Bridges Programmatic Agreement's Montana Historic Bridge Rehabilitation List. They are to be nominated to the National Register and repaired as needed, not replaced.

Historic Roads marked by \*\* are part of the MDT Historic Roads and Bridges Programmatic Agreement's Montana Historic Highway Preservation Program. They are to be nominated to the National Register and preserved.

#### Eligibility (SHPO)
